

Fourth Grade Recorder Letter
2018

December 14, 2018

Greetings Fourth Grade Parents!

Recorder time is around the corner! Students will begin the long-awaited recorder unit in January after returning from winter break. You will notice that there is a recorder fee assessed in your child's school fees. If your child already has access to a recorder from an older sibling or family member, we can waive the recorder fee and not order your child a recorder.

Please indicate your recorder status by returning the bottom portion to Miss Stewart by Monday, December 17th. Every student should return this paper to Miss Stewart.

Recorders purchased through school will be distributed in January.

Feel free to call or email me if you have any questions.

Miss Stewart
